

6.10 EXT. - DAY

MISSANDEI

Blood of my blood! You kept all your promises to me. You killed my enemies in their iron suits!
(beat) You tore down their stone houses!

MISSANDEI

You have given me the Seven Kingdoms!

MISSANDEI

Torgo Nudho, you have walked beside me since the Plaza of Pride. You are the bravest of men, the most loyal of soldiers. I name you commander of all my forces, the Queen's Master of War.

MISSANDEI

Unsullied! All of you were torn from your mothers' arms and raised as slaves. Now you are liberators! You have freed the people of King's Landing from the grip of a tyrant! (beat) But the war is not over. We will not lay down our spears until we have liberated all the people of the world! They have suffered too long beneath the wheel. Will you break the wheel with me?

MISSANDEI

Take him.
