

Alien Language and Demonym Terminology

This will summarize how to pronounce various alien names in English and natively. The pronunciations will not always line up one-to-one, but the English versions are likely ways that English speakers would render the native terms.

Where more than one variant is possible, both will be listed below.

CASTITHAN

	<u>English</u>	<u>Native</u>
<u>Language:</u>	CAST- <i>ih-thin</i>	<i>cahst-TEETH-ahn-oo</i>
