#### Season 1, Episode 1, Scenes 1-10: Irathient Voice Over Text 4/20/12 - Based on 2<sup>ND</sup> PINK Draft

This will be a little different, since the visual is all that's needed. I'm going to do a romanized version and an interlinear for my own use (just to be sure I keep track and don't miss anything), but the orthographic version will be in a large block.

Irathient romanized form. (.mp3 title)
