Sukar to Nolan:

*Excellent battle, my friend! Haabáánggur haabááktaa íbi zezényaa! Thezuhááktu!*

ES-sa-lent BA-to mai frend! haa-BAANG-gur haa-BAAK-taa · I-bi · ze-ZEN-yaa! the-  
zu-HAAK-tu!

*Excellent battle, my friend! Strong exceeding · we · together! Defiance!*

"Excellent battle, my friend! We are stronger together! Defiance!"

Notes: I recorded this whole thing to get the Irathient-accented English. In particular, the "ks" in "excellent" changes to an "s", and the "-le" on the end of "battle" becomes an "o".
