The scout sees the Volge:

Vógyi! Hiiiiiiiiiyuuu! ([s1e1sc61_1.mp3](#))

VO-gyi! HIIIII-yuuu!

Volge! Scream!

"Volge! Aaaaaieeeeee!"

Notes: If this is a *true* exclamation of terror, it's not likely that humanoid aliens will produce different sounds than any human who speaks any language. When you're *really* scared, you just open your mouth as wide as you can and make the loudest sound possible, which comes out as something like *AHHHHHHHHHHH!* If he's still reasonably in control of his faculties, then we could do something alien-specific.

Sukar to Rynn:

Ézéd! Éthít! Éthít! ([s1e1sc61_2.mp3](#))

a-ZED! a-THIT! a-THIT!

Turn around! Go! Go!

"Turn around! Go! Go!"
