

"Terraform My Heart"
by Bear McCreary
English Lyrics

VERSE 1

Baby, you ain't the first
To try that line
It didn't work
The first time
Not the best I've seen
But it's a start
You terraform me
Terraform my heart

CHORUS

When the last ark falls from the sky
When the twin suns finally die
I'll still be yours

VERSE 2

Baby, you got no money
No decent threads
Your roller's running
With broken treads
Not the best I've seen
But it's a start
You terraform me
Terraform my heart

VERSE 3

Baby, you say you're
Just passing through
My elders warned me
About guys like you
Not the best I've seen
But it's a start
You terraform me
Terraform my heart
