

Ravkan Street Signs

In Ravkan, the word for street is *chekka* **ᄀᄁᄂᄃᄄ**, and the form of a road name would be *Chekka X* **ᄀᄁᄂᄃᄄ ᄅ**, where *X* is some noun. There's also the word *urva* **ᄆᄇᄈ**, which means "path" or "way". I think it's entirely possible that either word would be abbreviated, so feel free to do that as you see fit. When the street name is an adjective, the adjective will come first, rather than the word for "street" or "path". I'll give you some name options below:
