I am King Llane. I am told you wish to talk.

Garona translating for Lothar

Ask him if they plan to return to their home through the portal they are building.

Durotan

Our world is destroyed. There is nothing to go back to.

Garona translating for Llane

We are not responsible for destroying your world. War with us will solve nothing.

Durotan

For orcs, war solves everything.

Garona translating for Llane

Then why is he here? (I.e. then why are you here?)

Garona translating for Durotan

To save my people.

Durotan [Note: It says that Garona keeps translating, but it says Durotan says this in English]

The Fel takes life from more than its victims. It kills the land and corrupts those who use it. Gul'dan would poison my entire species with his death magic. If my clan is to survive, Gul'dan must be destroyed, but he has many warriors.

Durotan (Cont'd)

In two suns, all the humans we have capture will be consumed by Gul'dan's magic. If you attack our camp then, draw his warriors away, he will be vulnerable and with my Frostwolves, I will kill him.

Garona translating for Llane

If we do this, will you protect my people until then?

Durotan (May be English)

I will try—

Orc with Axe

GARONITCH! (Curse you?)
